Dear Mr. & Mrs. Campbell:-

Before leaving for Europe Mr. J. Sanford Saltus asked me to send to you, with his compliments, a medal issued by the New York Numismatic Club, on the occasion of the Birthday of the King of Italy, and the tenth anniversary of the club. Mr. Saltus suggested the idea of this medal and presented the models for the making of the same.

I beg to remain,

Very truly yours,

Curator.

Dear Mr. and Mrs. Campbell:

While in Paris this summer I saw quite a little of Mr. Saltus, and he handed me the enclosed medal commemorating the canonization of Joan of Arc at Rome and asked me to give it to you. He told me that it had been twice blessed by the Pope - the second time, while he was attending the canonization. - I found Mr. Saltus very well.

Very truly yours,

My dear Mr Wood,
Thank you so much for bringing me the little medal, all the way from Paris. Mr Saltus is always thinking of his old friends and I am delighted to hear that he is happy in his beloved France. He wrote me about your visit and said he enjoyed seeing your wife and yourself so much. If there are any exhibitions during the winter or any special day for seeing the collection, kindly notify me, as I

have some friends who are anxious
to go up. Mr. Ealtus and my dear
husband have been devoted friends
for years and it makes me sad to
feel they will never meet again. Mr.
Campbell has been in bed for six
months and it is only a question
of weeks so the doctors say, before I
will lose him. When I write I
will tell Mr. Ealtus that I have
received the medal. Again thank-
ing you, believe me.

Very sincerely yours,
Estelle E. Campbell

My dear Mrs. Campbell:-

I am most sorry to learn of the illness of Mr. Campbell, and trust that something miraculous may happen so that we will all see him again.

I think Mr. Saltus enjoyed seeing us as I rather imagine that at times he is lonely, and I know the seeing of old home faces does any one good.

Just at present I do not know of any special exhibits that we will have during the winter. Our Museum is open every day but Monday from 10 to 5, and on Sundays from 1 to 5. Sundays I am not here. If, however, we have anything special to show I surely will let you know.

I beg to remain,

Most truly yours,

Curator.

Dear Mrs. Campbell:

I am very glad to hear from you, but am sorry that you still feel not as well as you should.

We can tell nothing from your friend's letter whether we would want any of the coins she mentions as she does not describe a single piece. From my experience, however, I very much doubt if we would want any of these coins. If she cares to send them on to us, I can let your know approximately what they are worth.

I am returning your friend's letter together with a list of dealers which might be of some assistance to her.

Trusting to see you when you return in the autumn, I remain,

Very truly yours,

Curator.
